NINE MALE NUDISTS

The Nine Male Nudists is published with the intention of showing the joys of nudism . . . the feeling of freedom that comes only with being in the great outdoors with no confining or constricting clothing. Once you have experienced this glorious sensation the chances are you, too, will become a confirmed nudist.

This book is divided into two parts. . .the first part being posed photographs depicting the natural grace, beauty, and dignity of the male nudist.

The second part consists of candid shots showing the nine male nudists relaxing, playing, exercising, and just generally radiating the good health and spirit that comes only with this particular form of freedom.

THIS BOOK IS DEDICATED TO THE MALE NUDIST . . . NEOPHYTE AS WELL AS VETERAN.
